

Middleburg Conservation Speed-Dating Workshop - RSVP Form

This RSVP form is for landowners and producers interested in registering for our Conservation Speed-Dating Workshop to be held on Friday, March 27th from 10am to 12:30pm (lunch included) at the Middleburg Community Center. This workshop will introduce you to conservation practitioners and technical service providers in your county, as well as the programs and cost-share opportunities that those organizations can provide. Please fill out the information below and remember to click SUBMIT when you are done. Thank you!

* Indicates required question

This workshop is cohosted by Smithsonian's Virginia Working Landscapes and the OCH Conservation Foundation.

Please keep in mind that this workshop is geared towards landowners and producers in southern Loudoun and northern Fauquier counties who operate ~20+ acres of land. Conservation-motivated landowners with less acreage will be considered.
