

# Conservation Speed-Dating Workshop

Friday, March 27th  
10am to 12:30pm (lunch included)  
Middleburg Community Center

Join us for a  
**free workshop**  
for landowners  
& producers in  
southern Loudoun County &  
northern Fauquier County

*“Speed dating could not have worked out better...great personal conversations with highly engaged staff of NGOs and agencies who knew what they were talking about because they do it every day.”*

*— Past participant*

## Are you interested in...?

- ... conservation practices that can benefit your production goals, native biodiversity, and landscape resiliency?
- ... programming and financial assistance available to help cover the cost of those practices?
- ... meeting many of the local organizations and technical service providers that can assist you?

Space is limited and RSVPs are required:
